INSTITUTIONAL DISTINCTIVENESS

“EMPOWERMENT OF WOMEN THROUGH SKILL DEVELOPMENT PROGRAMS”

1] Introduction

Padmashali Shikshan Sanstha's A. R. Burla Mahila Varishtha Mahavidyalaya, Solapur was established in 1990 with vision to provide quality education to all economically backward and socially deprived minority students creating conducive environment for research and bringing everyone into main stream of the society for brighter and progressive India. The vision of our institution is to impart education to women which aims at Quality Education, Academic Excellence, Social Concern and Character Formation. Empowerment of women through quality education is the mission of our institution. The institution is committed for academic excellence of minority students.

The Institutional distinctiveness lies in working towards fulfilling its vision and mission. Being a Women's College we focus on the holistic development of our students. Our College is the only higher educational institution in the Eastern part of Solapur. We have students coming from the economically deprived strata of the society. Majority of our students come from families where the parents earn a livelihood by working as labourers, or in textile mills, while the women are involved in rolling *Beedis*.

2] Objectives:

- 1] To bring awareness about skill oriented courses and programs
- 2] To develop employability skill and practical knowledge among the students
- 3] To bring awareness about quality education through FDP, Webinars, Trainings, deputations of students, teachers and industry.

3] The Practice:

A large number of our students are not even in a position to pay their fees, buy books and meet other basic necessities. Keeping in view the financial condition of our students, we decided to empower them by making them financially independent. Keeping in mind the global scenario, cut throat competition, need to be financially secure and the need to lead a comfortable life; we decided to train our students in small scale business and startups.

4] Procedure:

We made a survey of our student's economic and social background. A number of meetings were organized to which the students were called and asked to interact. We realized the need to empower our girls and make them financially stable. We got in touch with a number of organizations and people who would help in our endeavor. For this purpose we got into a Memorandum of Understanding with

- Baheti Medical and Pharma
- UdyogvardiniSanstha
- GTT Foundation
- MITCON
- Sneha Beauty Parlour
- G. L. Kakade Foundation
- Shakuntala Udyog Vyavasay Kendra
- Skill India

Following courses were started for the benefit of the students.

a) Beauty Parlor Course: The Beauty and Wellness sector is an important industry and is growing at a fast pace. There are a number of career opportunities in this sector. At the end of the course the students can work as Makeup artist, Hair stylist and can also set up their own business.

b) Fashion Designing: The fashion industry reflects a diverse range of social and cultural attitudes. There is a need to combine fashion with creativity, imagination and natural beauty in order to create costumes and other lifestyle items. At the end of the course students can find jobs in fashion industry, manufacturing units, start their own business and sell products in the market.

c) Small Scale Industry Training Programs:

During these sessions the students are trained to make a number of products like jam, jelly, sauce, cakes, ice-creams, Phenols, lotions, detergent soaps and powder, agarbattis, chalk, soft toys, flower vase, curtains, cushions covers, decorative pieces, napkin bouquets, jowarrotis, groundnut chutney etc.

This small scale industry training program provides the students with potential for employment with less capital requirement. There is also opportunities for entrepreneurship and contribution to exports.

5] Outcome:

Many of our students have started their own business and thus are financially independent. We have helped our students get placed at various units like

- Nityashree Boutique
- Samruddhi Beauty Parlour
- Ajanta Beauty Parlour
- Yashashree Fashion Institute
- Jain Bakery
- Puff and Pastry (Bakery)
- Bhagwan Caterers
- Annapurna Caterers
- Arya Outfits
- Gharkul Masala

6] Problems Encountered:

- Most of the times convincing the parents about the advantages of enrolling in such career oriented courses is a big challenge.
- As these courses are conducted after college hours it becomes difficult for the students to stay back for more hours.
- Although all the courses are free for the students, they need some capital to purchase raw material and begin with initially. Sometimes they are not able to even make arrangements for the same.
- Transformation in some cases also is a problem.

7] Conclusion: However, in spite of all these challenges, we are happy to state that the responses of our students to such courses are encouraging and many of them have been employed after the same. A few have also started their own.
