15. Multidisciplinary / interdisciplinary

The College has future plans of expansion of learning environment, implementation of multidisciplinary & interdisciplinary curriculum The NEP 2020 calls for structural changes, regulatory reforms, and introduction of holistic & multidisciplinary curriculum. Its biggest impact would be the change in the learning environment and the learning process for the students. For increase in focus on the skill improvement and competency development of the students it is essential that an identified set of skills and values will be incorporated into higher education. The purpose of quality higher education is, therefore, more than the creation of greater opportunities for individual employment. It represents the key to more vibrant, socially engaged, cooperative communities and a happier, cohesive, cultured, productive, innovative, progressive, and prosperous nation. In order to fulfil the Objectives of NEP, our college will draft a roadmap for incorporating the features of NEP 2020. The college will identify the gap in existing academic system and refill the gap as per the objectives of NEP 2020. The college will also organise and reform the existing academic system to new one and bring changes as per the need to set up cross disciplinary approach. Teachers are to be trained and upgrade and enhance knowldege by promoting them to organise and take up workshops and training programs for advancements in their knowledge to conduct new curriculum.

16.Academic bank of credits (ABC):

One of the provisions of the National Education Policy 2020 (NEP 2020) is the introduction of the Academic Bank of Credit (ABC). ABC will allow students of undergraduate and postgraduate degree courses to exit the course and enter within a stipulated period. Academic Bank of Credits shall deposit Credits awarded by Registered Higher Education Institutions, for Courses pursued therein, in the Academic Bank Account of the student and the validity of such credits shall be as per norms and guidelines issued by the Commission from time to time. https://www.abc.gov.in : A portal has been launched, with the aim that HEI & Students can register in this portal. Students will be allowed to earn credits through various HEIs registered under this scheme and courses offered under National schemes by SWAYAM, NPTEL, College initiative will be to launch registered skill based and vocational courses, other courses under Credits through affiliated university and help rural and tribal students to get

advantage of this provision.

17.Skill development:

The NEP 2020 envisioned for the holistic development of youth with emphasis on raising Gross Enrolment Ratio (GER) but also on skill development as the main factor to make mission 'Self Reliant India' possible, there is revived approach towards running vocational courses to be offered by higher education institutes. Playing vital role as HEI, College future plan will be to adapt skill development policy in youths and students of rural and tribal areas by carrying out following Path: 1] To explore the vocational courses useful for the local need; 2] To collaborate with National Skill Development Corporation (NSDC); 3]To involve industry & NGOs and sponsoring agencies to be partners and sponsors of skill-based courses.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The preservation and promotion of India's cultural wealth must be considered a high priority for the country, as it is truly important for the nation's identity as well as for its Economy. In this regard appropriate integration of the Indian Knowledge system particularly teaching in Indian languages is important. Language, of course, is inextricably linked to Arts and culture. Languages influence the way people of a given culture speak with others, including with family members, authority and strangers, and also influence the tone of the conversation. In order to preserve and promote culture, one must preserve and promote a culture's languages. The college has been offering certificate course Modi and Brahmi Script which is one of the prominent Indian languages. The objectives set out in the NEP on OBE are Competency, standard, benchmarks, and attainment of targets. In addition to this, the OBE incorporates three elements Theory of education, A systematic structure of education, and a specific approach to instructional practice. The college is prepared to fulfill the objectives and achieve the target as per the structural curriculum provided by the affiliating university.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Outcome-Based Education (OBE) is a pedagogical model that entails the restructuring of curriculum, pedagogy and assessment practices to reflect the achievement of high-order learning. The model allows the learner to transfer their credits and switch to another institution that is accredited with the OBE syllabus. Our students seeking newer skills to propel their careers further, there will always be higher demand for vocational training. The college has implemented outcome-based education with clearly stated Programme

Page 6/120 13-12-2022 09:54:01

Outcomes, Programme Specific Outcomes and course outcomes. All courses are designed with outcomes centred on cognitive abilities namely Remembering, Understanding, Applying, Analysing, Evaluating and Creating. Apart from the domain-specific skills, learning outcomes at all levels ensure social responsiveness and ethics, as well as entrepreneurial skills so that student contribute proactively to economic, environmental and social well-being of the nation.

20.Distance education/online education:

During the COVID-19 pandemic, online classes were conducted very effectively by all faculties in all programs. Both teachers and learners have experienced the online teaching and evaluation process through different software. So, the institution is well prepared in this regard. Due to COVID-19 pandemic, educational institutions in the country has increasingly involved in using the digital platforms for engaging classes, conducting conferences and meetings. Keeping aside the negative impact of lack of face to face learning, online education has broken the geographical barriers creating interaction of experts and students from distant geographies. NEP emphasizes on integrating technology at all levels in the field of education. The college provide a forum for the free exchange of ideas on the use of technology to improve learning, assessment, planning, administration etc., and its emphasis on creativity and innovation at all levels of education and also proposes the induction of new-age technologies such as online learning platforms. College will establish elearning Centre and develop resources to promote distance learning and online learning for students from interior regions of rural and tribal belt of state.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

Internal examination committee itself looks after the complaints or grievances related to formative tests and summative examination. The students have the freedom to use the suggestion box to put in the note of dissatisfaction with the internal examination mechanism. The principal and in charge of faculty keeps an eye on the overall procedure by conducting the periodical meeting with the internal examination committee. A transparent, time-bound and efficient method is being followed. Various internal examinations are being performed throughout the semester. Some of them are- Unit Tests, Assignments, Project Evaluations. Faculty evaluates assignments based on the rubric which is also shared with the students. The rubric consists of criteria- timely submission, clarity, neatness. The evaluated assignments are given back to students thus maintaining the transparency of the marks assigned and to resolve grievances ifany. The teachers also consider the technical error occured during the online examinations. During the COVID-19 Pandemic, numbers of students have faced problems of electricity, smart phones. The exam committee paid seperate attention to the students' inconvenience at the time of examination. Repeated exams have been conducted for the students who could not appeared for the examinations due to technical error, sickness or COVID-19 pandemic situation.

2.6 - Student Performance and Learning Outcomes

Page 21/120 13-12-2022 09:54:01

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college follows the outcome-based education; hence the Program Outcomes, Program Specific Outcomes and Course Outcomes are defined by each department. For defining the POs, PSOs and COs, we follow the consultative process involving the stake holders and are in lined with the vision and mission of the college and department as well as the graduate attributes. At the beginning of a course along with the syllabus, students are made aware of the outcome of the course by the respective course teachers. The students are also made aware of the same through induction programme of the department. The importance of the courseoutcomes has been communicated to the teachers in the department meetings in the starting of the semesters. Soft Copies of POs, PSOs and COs are also uploaded on the website of the college for reference. Hard Copies of syllabi which comprise Program and Course Outcomes are available in the departments for ready reference to the teachers and students . The POs, PSOs and COs are available on college website and are also communicated to students, teachers and other staff by displaying at following location: 1] Library, 2] Course Files, 3] Virtual Classrooms like Google Classroom, 4] Departmental Websites and 5] Institutional Website.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The College promotes decentralization and participative management for best instutional practice. Ideas pertaining to academic goals, organizational progression and better campus life are collected from all stakeholders to promote efficient functioning of the College. The Governing Body is the apex body constituted to administerthe various Institutional activities. Believing in decentralization, the Management takes policy decisions, finance, infrastructure etc. with the help of members of the College Development Committee (CDC). The Principal formally puts the proposals discussed in CDC in the meetings of IQAC. The principal as a representative of the institute leads its faculty members and HODs in all academic matters. He encourages and cooperates the HODs and faculty members in ensuring a proper academic environment in the institute which may benefit the students. The Plans and the Policies for fulfillment of the mission of the institute are executed by the active faculty members. For this purpose different committees have been constituted in the institute, who has been entrusted with the responsibility of implementing the programs and policies.

For the proper functioning of the institute and promotion of participative management, the institute runs on a decentralized management operative process, wherein different committees have been framed by the principal in the governance of the institute. Such decentralized and participative management leads to a

situation of harmony and congenial atmosphere in the institute for the development of the students.

6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

The performance of each employee is assessed annually after completion of one year of service. The objective is not only to objectively evaluate the performance as per established norms, but also to identify potential aspects for improvement that can eventually lead to further progress and growth of the employee. The salient features of the performance appraisal system are as follows: Teaching Staff a) The performance of each faculty member is assessed according to the Annual Self-Assessment for the Performance Based Appraisal System (PBAS). b) Promotions are based on the PBAS proforma for UGC Career Advancement Scheme (CAS) that is based on the API score. c) The institute undertakes a wide range of activities besides academics, for which faculty members are assigned additional duties and responsibilities, which are mostly voluntary. The Institute accords appropriate weightage for these contributions in their overall assessment. d) The faculty members are informed well in advance of their due promotion. e) The PBAS proforma filled by the Faculty Member is checked and verified by the Heads of the Departments, followed by the IQAC Coordinator and then the Principal. f) Faculty members whose promotions are due are recommended based on their API score and are required to appear before the screening-cum-selection committee. All non-teaching staff are also assessed through annual confidential reports and annual performance appraisal.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The Institution has established a mechanism for conducting internal and external audits on the financial transactions every year to ensure financial compliance. The college conducts both internal and external financial audits regularly. External Audit is conducted by anauditor, who audits annually all the vouchers and bills of the expenditure. After checking the bills and vouchers, auditing the expenditures, the Chartered Accountant generates a certificate for the college. Internal audit is done by checking each bill and vouchers by a team of the college. The college accounts are audited regularly with proper audit system first by internal auditor, then by external auditor. These audit reports have always been forwarded to Joint Director or Higher Education and finally Senior Auditorof Higher Education makes final financial audit. The cashier maintains the cashbook, receipt, bills and vouchers. It is checked by the internal team of auditor. The mechanisms used to monitor effective and efficient use of financial resources are as below: Before the commencement of every financial year, principal submits a proposal on budget allocation, by considering the recommendations made by the heads of all the departments, to the management. Then the college budget includes recurring expenses such as salary, electricity, internet charges, maintenance cost, stationery, other consumable charges etc., and non-recurring expenses like lab equipment purchases, furniture and other development expenses. The expenses will be monitored by the accounts department as per the budget allocated by the management.

This was conducted the whole year round and we received very good response from people from Eastern Region of Solapur. On the occasion of International Yoga Day, A Three

Days Workshop was conducted online on Yoga and Meditation. 200 students and 35 teaching and non-teaching staff participated in this program. The institution also conducted workshop on Stress Management through Meditation for the students at the time of examination which healed the students from the burden of examination. Workshop on Naturopathy and Immunity Boosting in COVID-19 Pandemic has been organized. 400 students and 35 teachers and non-teaching staff have been benefitted by the workshop. Evidence of Success: Students were greatly benefited by the meditation programs, courses, and workshops. Yoga and Meditation increased academic performance. Students who maintain this lifestyle have the benefit of increased energy and more self-assuredness to help them plow through assignments and task quickly. Meditation gave complete rest to the students that helped them to become more alert and attentive in the class.

2] SMALL SCALE INDUSTRY TRAINING PROGRAMS-We arrange small-scale industry training programs for our students. Our studentsare trained to make artefacts like soft toys, candles, soaps, lotions, perfumes and agarbattis. Many of our students set up their small scale business and earn a livelihood.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The Institution has established a mechanism for conducting internal and external audits on the financial transactions every year to ensure financial compliance. The college conducts both internal and external financial audits regularly. External Audit is conducted by anauditor, who audits annually all the vouchers and bills of the expenditure. After checking the bills and vouchers, auditing the expenditures, the Chartered Accountant generates a certificate for the college. Internal audit is done by checking each bill and vouchers by a team of the college. The college accounts are audited regularly with proper audit system first by internal auditor, then by external auditor. These audit reports have always been forwarded to

Joint Director or Higher Education and finally Senior Auditorof Higher Education makes final financial audit. The cashier maintains the cashbook, receipt, bills and vouchers. It is checked by the internal team of auditor. The mechanisms used to monitor effective and efficient use of financial resources are as below: Before the commencement of every financial year, principal submits a proposal on budget allocation, by considering the recommendations made by the heads of all the departments, to the management. Then the college budget includes recurring expenses such as salary, electricity, internet charges, maintenance cost, stationery, other consumable charges etc., and non-recurring expenses like lab equipment purchases, furniture and other development expenses. The expenses will be monitored by the accounts department as per the budget allocated by the management.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1]YOGA AND MEDITATION FOR BETTER HEALTH: In the COVID-19 Pandemic, the society was in the physical, mental and economic crisis. The institution, in collaboration with Yoga Association, Solapur and Art of Living, Solapur Centre organized meditation program for the society in every Sunday. This was conducted the whole year round and we received very good response from people from Eastern Region of Solapur. On the occasion of International Yoga Day, A Three Days Workshop was conducted online on Yoga and Meditation. 200 students and 35 teaching and non-teaching staff participated in this program. The institution also conducted workshop on Stress Management through Meditation for the students at the time of examination which healed the students from the burden of examination. Workshop on Naturopathy and Immunity Boosting in COVID-19 Pandemic has been organized. 400 students and 35 teachers and non-teaching staff have been benefitted by the workshop. Evidence of Success: Students were greatly benefited by the meditation programs, courses, and workshops. Yoga and Meditation increased academic performance. Students who maintain this lifestyle have the benefit of increased energy and more self-assuredness to help them plow through assignments and task quickly. Meditation gave complete rest to the students that helped them to become more alert and attentive in the class.

2] SMALL SCALE INDUSTRY TRAINING PROGRAMS-We arrange small-scale industry training programs for our students. Our

studentsare trained to make artefacts like soft toys, candles, soaps, lotions, perfumes and agarbattis. Many of our students set up their small scale business and earn a livelihood.
